

# Adgang til bibliotekets artikler gennem Google Scholar

1. Gå til Google Scholar: <https://scholar.google.dk>
2. Klik på indstillinger

3. Klik på Bibliotekslinks
4. Indtast "kongelige bibliotek" i søgefeltet og søg
5. Sæt flueben ved Det Kongelig Bibliotek/Københavns Univ. Bibliotekservice - **Full-text via KB/KUB**, sådan som vist
6. Tryk Gem

Herunder et søgeresultat med det korrekte KB/KUB link til fuldtekst. Hvis du ikke er på Campus, bliver du muligvis bedt om at logge dig på med din bruger-id og adgangskode til bibliotekssystemet REX, hvis ikke du allerede er logget på REX.

The screenshot shows a Google Scholar search for "food safety". The search results are displayed in a list format. On the left side, there are filters for "Artikler", "Min samling", "Når som helst", "Sorter efter relevans", and "Opret underretning". The search results include titles, authors, and publication information. Several results have links to full-text versions via KB/KUB, such as "[HTML] Significance of biogenic amines to food safety and human health" and "[PDF] Food quality and safety: consumer perception and demand".

Tip: Søg efter resultater på **Dansk** alene. Du kan ændre dine sprogindstillinger i Indstillinger for Scholar.
